Budget friendly Live Streaming is available for those wanting to include their family and friends who can't attend the ceremony in person.

- An unlimited number of guests can be invited to join.
- Your guests do not need to log-in or subscribe to this service, the link will simply take them to the ceremony live streaming page - very simple and easy to use for those guests that may not be tech savvy.
- A static camera located on the mezzanine at the back of the Chapel provides a non-obtrusive overview of the ceremony and the Chapel setting. It does not include close up angles of the Bride and Groom.
- The invited guests have the option to write any messages or words of advice in a virtual guestbook.

Inclusions

Broadway Chapel is set-up and ready to host intimate and personalised civil or religious ceremonies for up to 90 guests. You don't need to stress about decorations, florists, chair hire, audio equipment, etc. What you see is what you get. Nothing else is required for you to do but walk down the aisle in front of your loved ones and enjoy your special day.

Of course you are welcome to bring your own flowers or decorations to suit your style but the majority of our couples love the existing charm and character of the space as is.

All ceremonies include:

- Exclusive use of the air-conditioned Broadway Chapel, private courtyard and gardens for your ceremony and photos.
- Onsite Event Coordinator to manage the fine details, ensuring your ceremony runs smoothly and stress-free.
- A complimentary rehearsal for the bridal party.
- Private lounge to relax prior to the ceremony.
- Premium Bose PA sound system and wireless microphone.
- Pew decorations for the traditional 120+ year old Chapel pews.
- Faux Chapel flowers for your ceremony.
- Use of the beautiful grand piano.

Booking times are 2 hours.

Ceremonies on Friday - Sunday can be booked for a 1:00pm or 3:30pm start time, with more flexibility for morning ceremonies and bookings on Monday - Thursdays.
